BREEDER CLASSES

E. Breeders Group	Two or three animals from same stud name, owned by exhibitor. Judged on uniformity of confirmation and breed character.
F. Progeny	Dam or Sire and one progeny presented to Judge. Progeny should be equal to, or an improvement on parent.
G. Sire's Progeny	Two animals owned by exhibitor from same sire. Judged on confirmation and uniformity of type. Sire does not have to be present at the show.

EXHIBITORS PLEASE NOTE: Where less than 5 animals are entered into a gender of a Breed, classes for that show will be consolidated into 2 x Junior Age Classes and 2 x Senior Age Classes as per MN section. For clarity that is two Champion Classes for that gender. This will be reflected in the Catalogue. Equally, for Mini Nubian section where 5 or more does or bucks are entered, the classes for that gender will be expanded in the Catalogue as per the other breed production animals. All Exhibitors acknowledge that the Catalogue may vary from this Schedule, and expressly agree to this as condition of entry to this show.
